NEW RESIDENTIAL TENANCY REFORMS

UPDATED TENANCY REFORMS EFFECTIVE FROM MAY 2024 AND EARLY 2025.

INCLUDING

RENT INCREASES

Rent Increases will only be allowed to occur once every 12 months. Reducing the frequency of rent increases will create certainty and stability for tenants to plan their finances and will bring WA into line with most interstate jurisdictions.

PETS ALLOWED

Pets are allowed in most cases; however, the tenant will need the landlord's permission. At the start of a tenancy, tenants and landlords can agree to the keeping of a pet. Details about the pet and any conditions should be set out in the tenancy agreement. During a tenancy, tenants must request permission using a pet request form.

MINOR MODIFICATIONS

Tenants can now have minor modifications to help make a rental feel like a home, they are now allowed in most cases. There is a prescribed list of minor modifications, and the tenant will need the landlord's permission using a minor modification request form. The tenant may be required to 'make good' at the end of the agreement.

DISPUTE RECONCILIATION

The Commissioner can make decisions about a tenant's request to keep a pet or make a minor modification to a rental home, as an independent authority. If a landlord decides to refuse a request, or set conditions, the landlord or their agent may be required to apply for a Commissioner decision. Tenants can also apply to the Commissioner to challenge a landlord's decision.

The second phase of recommendations is anticipated to focus on:

- › Information landlords and agents must give potential renters before offering a lease.
- › Information landlords are allowed to seek from potential renters.
- › Setting minimum standards for rental properties.
- › Regulations around maintenance and repairs.
- › Renter responsibility for wilful damage.
- › Regulating boarding, lodging and room-by-room rentals.

WHAT OUR CLIENTS ARE SAYING

This is the first time I rent out my property and I am fortunate to have engaged Sherlock Homes. Tim and Giodana made the experience a great one for me! The whole process was smooth and flawless. Their advices were spot on and practical. Their agency has A-Z of rental business taken care of. Very easy to work with and I felt totally comfortable and 100% trust in them. Thank you Tim and Giodana!

I have personally worked with Gio and the Sherlock Homes for a long time. I am extremely satisfied with how they treat their client professionally. As i work with them, i have learnt that their care and love for the property they manage is simply AMAZING. The staff there are so friendly and fun to work with. I couldn't think of any other than to simply recommend Sherlock for any one who wish to avail Real Estate related services. Keep going.

Giodana's effective communication and attention to detail have consistently impressed me. She always ensures that any concerns are addressed promptly and thoroughly, fostering a sense of trust and reliability. Due to her outstanding performance, I decided to entrust her with my second investment property. Giodana's commitment to excellence and her proactive approach have made my property management experience seamless and stress-free. I highly recommend Giodana and Sherlock Homes Group for anyone seeking top-tier property management services.

Giodana is the kindest and most efficient agent I have ever met. I can reach her anytime there is a problem with the house, and she always tries to solve the problems as soon as possible. I absolutely love her and 100% recommend her. 😊

As a maintenance plumbing company we work with realestate agencies all over Perth. It's always a pleasure when Giodana or another member of the team from Sherlock homes calls us. Giodana has an insight into what the owner wants and tenant needs. There is clear communication of what's required and a time frame to work to, so that all parties are satisfied. This is a refreshing approach when it comes to working in the maintenance field. If you're looking for a professional and friendly team to take care of your investment or to sell your home, I would definitely recommend you have a chat with the team at Sherlock homes.

Giodana was really friendly and helpful when we got our first rental. She made the process easy and stress-free! Well done Team. Very professional and a joy to work with.
